Andi ,

Thank you for your wonderful note. Our Foundation President Chris Selin will be reaching out to you in the near future to discuss the possibility of working with her organization. In the meanwhile, I would welcome the opportunity of meeting with you to discuss NRPL. Please send free dates/times through January and I will find a date that is viable.

Dear Tom,

Thank you so very much for your gracious letter. While I am disappointed not to have the opportunity to serve on the Board, I am very interested in becoming involved with the Foundation. What is the best way to connect with them so that I can learn more about their service and volunteer opportunities?

Also, if you have some time in the coming weeks – I know this is the season for planning and not always easy to find meeting opportunities – I would love to perhaps grab a coffee and listen to what some of the NRPL's needs are and how/where you think I might be most helpful? I work locally in White Plains so it is never difficult for me to come to New Rochelle during the day.

So looking forward to hearing from you. Thank you again for the opportunity to meet with you and the board.

With kindest regards and sincere thanks –

Dear Ms. Rosenthal,

On behalf of myself and the Trustees of the New Rochelle Public Library, I want to thank you for your interest in the vacant Library Trustee position at our library.

In total, we had had 14 qualified candidates eager to serve on our Library Board. Unfortunately, we only had two openings to fill. Our decision was an extremely difficult given the very high quality of the interested individuals. Unfortunately, you were not selected to fill one of the open positions.

Based on your application and the interview with the Board, it is clear that you have a strong desire to contribute to the New Rochelle Public Library. In that vein, I would like to take the opportunity to ask you to consider other participatory options in support of our organization. Options for service include possibly working with the Friends of the New Rochelle Public Library, the New Rochelle Public Library Foundation or serving on ad-hoc committees or working groups convened by the Board from time to time. If you are interested in getting more involved, please reach out to Director Tom Geoffino at 914-632-7879 or tgeoffino@nrpl.org and he would be glad to explore these opportunities with you.

Again, I thank you for your interest in our wonderful library and your commitment to the New Rochelle community.

Sincerely,

Charles Burke, Jr.

Mr. Griffin,

So very sorry about the delay in updating you and the other Board candidates in relation to the Library Board's search for a temporary replacement to fill the vacancy created by the resignation of Haina Just- Michael.

Due to the resignation of Board Member Damon Maher at the November 9th Board meeting (based upon his election as County Legislator for District 10 earlier in the week) , the Board decided to defer action on filling the Just-Michael vacancy until the January 11th Library Board meeting with the intent of filling both vacancies on that evening. In the meanwhile, the Board has extended the Board Candidate search til December 15, 2017.

We will certainly keep you in the loop as the process moves forward to its conclusion. Thank you for your interest in our library.

Regardless of the outcome, please keep me in mind for upcoming volunteer opportunities.

Hello Chuck,

I trust that you are enjoying the holiday season.

Thank you for reaching out to me. I have attached a copy of my resume for your review. When I met with Mayor Bramson a while ago I expressed an interest in becoming more involved in New Rochelle. I have extensive Board and Executive Board experience from past volunteer organizations that have not directly benefitted my hometown, I am looking to change that status.

It is my desire to focus more time and energy in New Rochelle. Some of my past leadership projects that have provided Board experience include;

- American Association of University Women (AAUW) 2004-2008 New York City Branch
 - Current Member at Large
 - Vice President, Educational Foundation, 2005 - 2007
 - Board and Executive Board Member, 2005-2007

- Junior League of Westchester on the Sound (JLWOS) 2009 - present
 - Current Community Impact Committee Member
 - President, 2014-2015
 - Board Member, 2011-2015 (Secretary, President-Elect, President)
 - Admissions Chair, 2010-2011

Heather,

I hope this note finds you well. Noam Bramson passed your name along to me. I am a member of the Board of Trustees of the New Rochelle Public Library.

I was told by Noam that you might be interested in being considered to fill the vacancy on our board. If you are interested, will you please send me a copy of your resume as soon as possible, if you have not sent in already? We did issue a call for board members earlier in December, so if you have already responded to that, great.

We hope to review resumes in the first week or so of January and then have folks come in for a ½ hour chat prior to hopefully making a selection by the time of our mid-January board meeting.

Thanks for your consideration,

Chuck

Board Members,

This e-mail follows up a recent phone meeting between Haina, Chuck and myself.

I regretfully have to announce the resignation of George Walters from the Library Board of Trustee effective immediately. Earlier in the month, George left New Rochelle and now lives in Coop City. A party will be given for George at some point in the future.

Regards,

Tom

All,

Attached are the submissions to your ad hoc Library Trustee Search committee.

To my knowledge, 2 other candidates (Peter Nance and Vincent Malefetano) have expressed an interest but we have received nothing from either individual as of today.

I will continue to share such documents as we receive them.

Tom

New Rochelle Public Library Board of Trustees
Nominating Committee
NRPL
1 Library Plaza
New Rochelle, NY 10801

To Whom It May Concern:

It is with great enthusiasm that I submit my application to join the New Rochelle Public Library (NRPL) Board of Trustees. My name is Yadira Ramos-Herbert and I have been a resident of New Rochelle for approximately eight years. I am the mother of two, a five-year-old daughter who attends Ward Elementary School and a two-year-old son who attends Weekday Nursery School. My desire to help instill and develop a love of reading in my children and to connect our family with other New Rochelle families has led to my active patronage of the NRPL, but also my desire to serve on the Board of Trustees and assist the NRPL as it continues to grow.

When my daughter was first born, I utilized the programs offered by the NRPL to connect with other mothers in the area. I was amazed by the wide variety of programs that the NRPL offered for children of all ages. My close proximity to both the main NRPL and the NRPL Huguenot Children's Library Branch allowed (and still allows) me to walk to the library with my children and take advantage of the classes and meet other New Rochelle families. As my family has grown the library has certainly remained a very important resource for us. My son has an overwhelming passion for trains and, as a result, while my family and I continue to visit the library to take advantage of the numerous children's books and classes and museum passes, my son will eagerly await the opportunity to play on the train table while my daughter takes advantage of the educational games available on the library's computers. Recently, when we had a death in the family, I was able to speak with the librarians and explain that I was looking for books explaining death to children and the librarians immediately offered assistance by recommending age appropriate books to help us through that difficult time.

The public library played a formative part in my development, not only as an avid reader but also as someone who sincerely loves to learn. I am happy to see that the NRPL is playing a similar role in the lives of my children and the children of New Rochelle. As a member of the NRPL Board of Trustees, I seek to help and be an active leader in the future growth of the library and the programs that it offers.

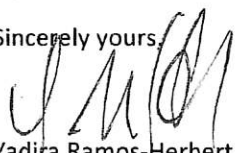

As far as my education and professional background, I am a 2005 graduate of the State University of New York at Buffalo Law School. Upon graduation I spent eight years specializing in litigation. As a result of my legal education and experience as an attorney, I have the ability to analyze dense reading material and provide advice and solutions for short-term and long-term situations. I also have a M.Ed. in Higher Education Administration from Northeastern University. While pursuing my

M.Ed. my research focused on diversity in education and ways to ensure successful retention and enrollment of diverse students in higher education.

I am currently the Director of Academic Advising and Student Outreach at Columbia Law School where I provide academic advice to students addressing a myriad of issues. At Columbia Law School, I also lead workshops related to study skills and time management and serve as the administrator responsible for diversity and inclusion programming. Additionally, I am active in New Rochelle where I am a board member with NewRo Runners, served as youth group leader with New Rochelle United Methodist Church and am engaged with my children's schools.

I truly believe that as a bilingual Latina mother with academic and professional training in analyzing documents, experience providing advice and strategy recommendations for short-term and long-term situations, my evidenced commitment to education and my patronage of the library makes me uniquely qualified to serve as a trustee for the New Rochelle Public Library. I thank you in advance for your consideration and hope to have the opportunity to meet with you to further discuss my qualifications.

Sincerely yours,

Yadira Ramos-Herbert

New Rochelle Board of Trustees Nominating Committee
New Rochelle Public Library
1 Library Plaza
New Rochelle, NY 10801

Dear Nominating Committee,

It is with great enthusiasm that I submit my name for consideration as a Trustee of the New Rochelle Library Board. I am an avid supporter of public libraries. Growing up in New Rochelle, I have fond memories of taking trips as a young child to the New Rochelle Public Library when it was on Pintard Road. Now just like many parents everywhere, I bring my young children to the Library. I do not take for granted the great resource that libraries provide in communities and in particular our very own New Rochelle community.

More specifically, the New Rochelle Public Library both the Main and Huguenot branches are fundamental parts of the greater New Rochelle community. Not only home to a large repository of books, electronic materials, and videos, the library also hosts a variety of community events that draw residents from all over the city. I am also aware of the challenges that lie ahead for the library. These include, ensuring alignment between RDRX and the mission and goals of the New Rochelle Library. If selected to serve on the board, I will work with my fellow trustees in the spirit of harmony on these and all challenges the board might face.

I am currently a Pastor at New York Covenant Church in New Rochelle. In my role both as a clergy person and a resident of New Rochelle, I work collaboratively with other churches, organizations and individuals to ensure the vibrancy of both New Rochelle and the larger Westchester County community. I look forward to bringing this enthusiasm and commitment to the New Rochelle Library Trustee Board.

Sincerely,
Dierdra Clark

Thank you Tom, and please call me Chuck ;)

I am sorry to heard about the death in your family.

I am very interested in getting involved with the library and this will help me make sure that my getting involved will not present any issues from the perspective of my company. I work for the asset management division of Morgan Stanley and there are sensitivities around employee involvement with public sector entities. I don't think there is

Emery,

Attached are current library bylaws per our discussion.

No mention of Nominations Committee but officers should be elected at its first (i.e. July meeting) each year. I think nominations from the floor will work but Greg's idea will not - according to my "read" of the document.

Will call soon.

TWO NEW TRUSTEES INDUCTED TO LIBRARY BOARD

The New Rochelle Public Library Board of Trustees inducted two new members at their October 2nd meeting. Charles F. Burke, Jr. and Damon R. Maher were appointed to the board to fill two vacancies resulting from resignations of two elected board members.
