SPECIAL BUSINESS: NY STATE LIBRARY CONSTRUCTION GRANTS APPROVAL

Relative to our upcoming FY2018/19 New York State Library Construction Grant application for funding support in the replacement of the Main Library 2nd Floor Renovation Project, the following action was taken:

Tom Geoffino briefly outlined the parameters of both of the grant applications. The HCL Furnace/Boiler Replacement Project is fairly simple and will provide most of the funding for the purchase of a new furnace/boiler to replace the failing unit. However, the Main Library 2nd Floor Renovation Project is far more complicated in scope but the benefits of this effort will be significant for our patrons. We are seeking to engineer and reconfigure this space in order to establish/enhance the following spaces: Teen Room, Local History Room, Handellman Business Opportunity Center, Help/BTOP Room, Microfilm Area, Retrofit LED lighting, Information Desk, Periodical Area along with noise abatement, carpeting and painting improvements.

OLD BUSINESS:

PUBLIC DISCUSSION:

The following individual spoke during this time:
Lourdes Font 76 Vaughn Avenue

WLS REPORT:

Dr. Gray highlighted WLS Executive Director Terry Kirchner’s May 2018 report on Digital Literacy in Westchester public libraries. She indicated that the “digital divide” issue needs to be fully explored by member libraries in order to determine if such a problem exists and – if so- the solutions to be undertaken in order to deal with this situation. WLS is particularly interested in playing a key role in providing assistance to counteract this serious problem.

PRESIDENT’S REPORT:

No report was made as it was integrated into the Director’s Report.
DIRECTOR’S REPORT:

Tom Geoffino reported that our Summer Reading Game/Summer Programming has witnessed tremendous popularity since its kickoff earlier in the season. In particular, he urged Board members and members of the public to examine the photographs currently being exhibited in our lobby Lumen Winter Gallery space depicting our many wonderful summer programs.

PERSONNEL COMMITTEE:

Chair Dierdra Clark provided an update regarding the Personnel Committee and its schedule in relation to the evaluation of the Library Director and his performance. Work on the evaluation tool is currently underway with the intention of distributing it to the board in October with the employee review to be given by the November Board meeting.

Daniel Bonnet asked the Board to consider participating in Anti-Racism Training workshop as presented by consultant David Peters. This two day weekend training effort would be held over the course of a weekend and could be in tandem with New Rochelle BOE members. The sense of the Library Board was that this training opportunity was extremely worthwhile for the Board and Library Director – with the responsibility of scheduling the workshop to be managed by Daniel.

NEEDS ASSESSMENT COMMITTEE:

The Committee (consisting of Dierdra Clark, Whitney Barrat and Corey Galloway) presented a slide to the Board and members of the public in attendance entitled “What makes a library valuable? Fact Sheet.” Much discussion ensued regarding this topic. The Committee indicated that it will continue to meet in relation to its assignment and promised to solicit input from staff and public through a variety of medium.

The meeting was adjourned at 8:43 p.m.

Respectfully submitted,

Yadira Ramos-Herbert
Secretary
