

PARKING NEAR NRPL

HOW TO USE MULTI-SPACE METERS:

Use the keypad to enter your license plate number.

Use the keypad to enter your zone number, where required.

Enter a form of payment: Coins, Bills, and Credit/Debit Cards are accepted.

Multi-space meters DO NOT issue change.

If you pay by card, select the length of time. If you pay with cash, the length of time will be dictated by the amount entered.

Press the green button to issue your receipt. This is for your records only, it is not necessary to display it in your vehicle.

HOW TO ADD TIME:

If using the same multi-space meter to add time, simply repeat the steps as if you were beginning a new session. Any payment added will extend your current session up to the maximum time limit for that area (see chart below).

If using a different multi-space meter to add time, be sure to enter the zone number from your original receipt.

HOW TO USE MULTI-SPACE METERS TO PAY PARKING VIOLATIONS:

You can pay parking tickets for overtime meter violations (or expired meter) at a discounted rate up to midnight on the date issued (or at the City Court before the end of the next business day).

Press the yellow button under 'Pay Violation' and enter your ticket number.

USING THE PARKMOBILE APP:

Download the ParkMobile app from your app store or go to us.parkmobile.com. The app is free and there is no charge to create an account.

There is a \$0.35 charge PER TRANSACTION with this app.
