

## **New Rochelle Public Library Library Immigration Enforcement Policy**

The New Rochelle Public Library is an institution engaged in robust and consistent scholastic and education-related activities and events. ICE or immigration enforcement activities in and around the New Rochelle Public Library will risk severe disruption to the learning environment that exists at the library. As such, the New Rochelle Public Library will not permit ICE or immigration enforcement officials to access students, staff or contractors at the New Rochelle Public Libraries without having first contacted and processed their request and all relevant documentation through the New Rochelle Public Library director.

*Adopted by the NRPL Board of Trustees on August 8, 2019.*
