

# BUILD RAPUNZEL'S TOWER

## What You'll Need:

- Construction or Craft Paper: Pick your own colors to make your tower special & unique!
  - 1 full sheet for the tower
  - 2 ovals for the tower base (6 inches tall and 4 ½ inches in diameter)
  - 1 semicircle for the tower top (9 inches tall and 5 inches radius)
- 1 sturdy piece of cardboard for the base (5 ½ inches tall and 4 inches in diameter)
- Stickers (optional)
- Crayons or markers
- Glue

## Directions:

**STEP 1:** Paste the cardboard oval inside the 2 paper ovals and glue them all together.

**STEP 2:** Decorate the full sheet and the half circle roof piece. On the top center of your full sheet of paper, cut a square for the window.

**STEP 3:** Cut fringe at the bottom of your full sheet of paper. Curl the construction paper sheet into a tube and glue sides together.

**STEP 4:** Glue fringe edges to the construction paper/cardboard base.

**STEP 5:** Roll the half circle into a cone and glue the ends.

**STEP 6:** Glue the cone to the tower.

**STEP 7:** Decorate the tower with stickers.

**STEP 8:** Now color Rapunzel's hair and dress and cut her out .

**STEP 9:** Glue Rapunzel to the tower window.

**After that, you're all done!  
NICE WORK!**
