

## **NEW ROCHELLE PUBLIC LIBRARY POLICY REGARDING ADULTS IN CHILDREN'S ROOM**

The children's room (including its technology and restrooms) is intended for children with their caregivers.

Adults are allowed in the children's area when they are accompanying a child or actively accessing its collections.

The library reserves the right to ask adults to move to other areas of the building if they are not assisting children using materials or if they are not using materials to assist children in their care.
