PUBLIC DISCUSSION

ADJOURNMENT

**NRPL BOARD MEETING MINUTES**  
**Wednesday, March 4, 2026**  
**Zoom Meeting**

NRPL Board President Lucille Renwick called the meeting to order at 12:02 p.m.

**BOARD MEMBERS**

Lucille Renwick, President  
Corey Galloway, Vice President  
Rhiannon Navin, Secretary  
Fela Cortés  
Tatiana Infante  
Vera Salter  
Nancy Weinberger

**ADMINISTRATION**

Eugenia Schatoff, Library Director

**INFRASTRUCTURE BOND - DISCUSSION AND VOTE**

- Budget/Finance Committee Chair Rhiannon reviewed all the bond-related materials shared with the Board ahead of the meeting.
- The Board discussed the potential impact of a \$55 million bond for library renovations on New Rochelle's tax payers. The 25-year financing options would mean a \$204.99 annual increase in taxes for the average household, or \$17 per month.
- When a public library seeks voter approval for a bond, the approval does not mean the funds are immediately issued or spent. Instead, voter approval authorizes the library to borrow up to the approved amount to fund the project.
- In this case, if the voters approve the bond in May 2026, the library will not issue the bond right away. The bond will only be issued when funds are needed- typically just before construction begins, which for our project is projected for 2028.
- This approach ensures that the library does not carry debt unnecessarily before funds are required, and it allows for careful financial planning. Tax impacts on residents are calculated based on the actual bond issuance and repayment schedule, not the voter approval date.
- The bond scope is based on an estimate provided by CALGI to set the scope of work. Once the voters approve the bond amount, the planning of the project can begin.
- The board discussed other potential funding sources for the needed infrastructure and renovation work and concluded that all avenues have been considered and pursued, such as the successful lobbying of state representatives to receive \$1 million towards the roof replacement project, but that reaching the needed amount for the suggested scope of work can only be brought in through a bond.
- The Board discussed concerns about a compressed timeline to bring this request to the voters and garner support. The Board also discussed concerns about the additional tax burden on New Rochelle residents. The Library Director and Chairs of the Budget/Finance and Buildings' Grounds committees explained that the appropriate process for pursuing a bond has been followed. The Board agreed that a

comprehensive communications plan has to be developed to engage with stakeholders such as the Foundation and the Friends, as well as the voting public to explain the necessity of this project and the funding of it through a bond.

- The Board reiterated the dire condition of the building, especially the key infrastructure such as the HVAC system and the roof, and the responsibility of the trustees to address the building's condition.
- Rhiannon introduced the Project SEQRA Resolution about the environmental impact of the project. This resolution uses the "Building Renovation" project description in the 1/14/26 CALGI estimate to set the Scope of the work, and is based on the building being a "Class A" structure (structural steel:)

## **PROJECT SEQRA RESOLUTION**

WHEREAS the State Environmental Quality Review (SEQR) is a New York State process that requires government agencies to assess environmental impacts before making decisions on certain projects or actions; and

WHEREAS The goal of the SEQR process is to ensure that environmental factors are considered early in the planning stages and that potential impacts are identified, avoided, or minimized; and

WHEREAS projects involving replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes, actions to retrofit of an existing structure and its appurtenant areas to incorporate green infrastructure, and maintenance of existing landscaping or natural growth, are listed in 6 NYCRR 617.5 as "Type II"; and

WHEREAS the attached scope ("Scope") of the below-described Project to be undertaken by the Library (the "project"), the scope of which is attached as "A", lists only work consistent with a "Type II" project; and

WHEREAS the Library building at 1 Library Plaza being a Type "A" building and educational facility;

BE IT RESOLVED that the Library as lead agency classifies the Project as a Type II action under the State Environmental Quality Review Act.

Rhiannon made a motion to approve the SEQRA resolution, seconded by Tatiana Infante, approved unanimously.

- Rhiannon introduced a resolution requesting the school district to hold a special meeting to vote on the proposition:

WHEREAS per Education Law 260 (10) the board of trustees of a public library established and supported by a school district, in addition to any other powers conferred in this chapter, shall have the power to require that the board of education call, give notice of and conduct a special district meeting in accordance for the purpose of authorizing the issuance of obligations of the school district for construction of library facilities; and

WHEREAS the Board has decided to move forward with a project to renovate and renew the Library's facility and property at 1 Library Plaza, New Rochelle, New York (the "Project"); and

WHEREAS the Board has made the required SEQRA determination classifying the Project as a Type II action;

BE IT RESOLVED that the New Rochelle Public Library Board of Trustees directs the New Rochelle City School District to call a special meeting of school district voters to vote upon a proposition authorizing the financing and construction of the Library Renovation and Renewal Project (the "Project").

Rhiannon made a motion to approve the resolution, seconded by Corey Galloway, motion passed 6-1 with Nancy Weinberger voting against the resolution.

NEW BUSINESS

None

PUBLIC TO BE HEARD

None

The meeting was adjourned at 1:04 pm, with a motion by Lucille Renwick, seconded by Tatiana Infante and unanimously approved.

Respectfully submitted,  
Rhiannon Navin, Secretary

# NRPL Monthly Departmental Update

## Adult Services

**Department:** Adult Services

**Submitted by:** Kira Aiello

**Reporting Period:** March 2026

### 1. Key Highlights

- We held the first series of four Spanish language classes to great success. As soon as the class was announced in the library e-blast, registration filled. The waitlist filled shortly thereafter. We have received very positive feedback from the students in the class and those on the waitlist want to know when we will schedule the next cohort of classes. We are in discussion with our current teacher and have reached out to another. We are looking for a volunteer to lead an informal Spanish conversation group.
- Key staff met with representatives from Thirdway for a library walk-through and explanation of the Heat Mapping project. It was determined that we should begin with the Large Print collection as this is a microcosm of the major adult collections: fiction, biography and nonfiction. The project is off to a positive start. We will be meeting with the youth services staff to discuss the project in their areas of the library: the children's and teen rooms.

### 2. Programs, Services & Collections

#### Programs

- The third meeting of the **Past Pages Book Club** had an engaging discussion about Nathaniel Philbrick's *In the Hurricane's Eye*. There were 5 attendees. The book club continues to focus on books about the American Revolution in support of RW250.
- The **Brown Bag Book Club** met to discuss Marie Benedict's *Her Hidden Genius* for Women's History month. The book received a lukewarm review, there were 8 attendees.
- **Digital Learning classes:** the librarians continue to conduct Saturday morning computer classes. The last two of our 3-class introduction to Excel series were held in March with 5 patrons in attendance. We also taught Intro to Social Media and How to Scan and Upload Documents and Photos.

- In addition to the Saturday morning classes there were two Monday evening classes covering Microsoft Word and Google Docs basics in English & Spanish.
- We screened the third **film in the series**: A Celebration of Black Movie Musicals, *The Wiz (1978)*. There were 17 patrons in attendance.
- The **Acoustic String Jam** program was held on Saturday, March 21st. Eight patrons attended. It's so much fun to see everyone arriving with their guitars; 8 patrons attended the March meeting.

## Services

- **Job Search Coach**- One-on-one sessions are available every Monday evening from 5:00–7:30 PM. The first Monday of the month features a one-hour workshop on a particular subject, the March workshop discussed strategies for job seekers 50+
- **Healthcare Navigation**- Drop-in assistance is offered for NYS affordable healthcare three Wednesdays a month, from 11:00 AM to 12:00 PM, Medicare (65+yrs) coverage basics every Monday from 10:00 AM to 12:00 PM. 2nd fl.
- **Free Notary Nights**- Notary Public available every third Thursday of the month at 6:00PM
- **Citizenship Preparation Classes**- The sessions cover the test, interview preparation and guidance on current USCIS application.
- Our Digital Navigators continue to meet with patrons for one on one help, both drop in and via scheduled appointments.

## Community partnerships and collaborations

- Students from The Hallen School volunteer two days a week as part of a work/study program.
- Students from the NRHS volunteer with our local history librarian to scan our collection of yearbooks.
- Montefiore of New Rochelle Outreach at NRPL. March was Colorectal Cancer Awareness Month, hospital nurses and patient navigators provided information about colorectal cancer risks, screening options, and the importance of colonoscopies on 3/26 and 3/31, NRPL lobby.
- Hudson Valley Social Care Network-The Hudson Valley Care coalition, in partnership with NYS Health & WLS, provides a screening tool to help Medicaid members access support for food, housing, and transportation, connecting them to essential resources and care management services. The Help & Learning Center will assist patrons in connecting with a care coordinator and the screening process.

## Collection development

- We met with our representative from Hoopla. Beginning on April 1, 2026 our patrons will be able to borrow an additional two titles per month. Increasing the monthly limit to 5 titles and removing the spending cap.
- Librarians continue to monitor book reviews and numerous social media sources for news about popular titles, and order new books in print, audio and electronic formats.
- Monthly Purchase Alert, E-book Holds and Metered Access Notification Reports allow librarians to know which titles are most popular among our patrons to ensure we are meeting demand.
- The collection is maintained through open communication between librarians, clerks, pages and volunteers who continuously review books for use and condition.

## 3. Patron & Community Engagement

- Many patrons who came to the library to receive AARP Tax Preparation assistance also received printing help from the librarians and benefited from tech support at the Help & Learning Center. This assistance allowed patrons to complete their returns with the AARPs tax preparers. As one patron, Mercedes Banks, shared, “I couldn’t have finished my taxes without the IRS Pin #, thanks for your help.”
- Our volunteer program continues to grow. Four new volunteers are fully vetted and ready to go; they will provide services such as GED tutoring and an English Conversation Circle. In March our volunteers completed 46 hours of service in total.
- Each month the librarians create reading lists for the newsletter and book displays (one of our new volunteers updates our book displays weekly) throughout the building. In March the lists and displays featured: Women’s History Month, March Madness, baseball opening day, St. Patrick’s Day, cheerful fiction, and the Oscars.

## 4. Operations & Facilities

- The librarians received updated computers supplied by the Westchester Library System, which include access to the Evergreen catalog.

## 5. Statistics Snapshot

## 6. Looking Ahead

- Based upon the success of our first series of classes, we will further develop our offering of Spanish classes.
- Planning is ongoing for the May 30th author talk by Emily Sneff/*When the Declaration of Independence was News*.
- The Heat Mapping project is off to a good start. We have completed the Large Print collection – three rows of shelves consisting of 14 sections each. Now we must move on to every section of shelving in the library. This is a big project.
- We are hopeful that the increased availability of Hoopla checkouts will receive a positive reaction from our patrons.

# Narrative Report – Adult Services

## March 2026

**Department:** Adult Services

**Submitted by:** Kira Aiello

**Reporting Period:** 03/01/2026-03/31/2026

In March much of the focus at the second floor reference desk was assisting patrons with their tax return filing needs, printing W-2 forms, paystub and 1099s.

As we complete the first quarter of the year, each member of the Adult Services Department has assumed responsibility for a public program; providing computer instruction as both group classes and one-on-one digital navigator assistance; providing film screenings and leading string instrument jams; writing groups; and book clubs both fiction and nonfiction.

We are actively assuming responsibility for all aspects of adult programming and outreach activities from establishing best practices to tracking statics as needed for the yearly New York State Report to adding a program facilitator to each vendor-led program, so all events will have a staff member on hand from the beginning of a program to the end to provide support and safety for the attendees and the performer.

We are pleased with the success of the Spanish language class and will continue to balance the goals of the library's strategic plan with the needs of the community. We are preparing for the author event and book discussion on May 30th. The librarian leading the discussion has been reading an advanced reading copy of *When the Declaration of Independence was News*, by Emily Sneff scheduled to be published on April 15, and has been working with colleagues experienced in leading author talks in preparation for the event.

We are also eager to be working on the Heat Mapping project. This project will allow us to look at every section of shelving in the library to see which collections are most-visited by our patrons to help us better understand how our collection is currently used and intentionally plan for future collection development.

# NRPL Monthly Departmental Update (March 2026)

**Department:** Youth Services

**Submitted by:** Bobby Simic

**Reporting Period:** February 23 - March 31, 2026

## 1. Key Highlights (Strategic Goals Alignment)

- **Children's Room:** The first half of our Spring Break programming (March 30 & March 31) started off incredibly strong. Our 4 programs, which included seed planting, live reptiles, a sign language music program, and a fairy house craft project attracted 403 attendees. 3 of the 4 programs took place on our new Children's Patio (see images below).
- **HCL:** Science Club introduced young patrons to the water cycle which everyone loved thanks to the enthusiasm of the teens from NRHS.
- **Teen Services:** We welcomed Jay Tyler from non-profit organization My Sisters Place and NRPD Officer Stephanie Rodriguez and two of her colleagues to our Teen Advisory Board (TAB) on March 7. They were able to chat with our TAB members, impart information about the services they provide, and how they can collaborate with the library (see image below).

## 2. Programs, Services & Collections

- **Children's Room Book Displays:** Spring, Women's History Month, Ramadan, Purim, Holi, St. Patrick's Day, Easter, Passover, Pi Day, Autism Acceptance Month (a little early), April Fool's Day
- **Children's Room:** Weeding for Juvenile Nonfiction was completed and evaluation of our Juvenile Fiction/Chapter Book collection has begun
- **Children's Room:** Our 5-week Chess for Kids series on Sundays beginning March 1 had a great response. Registration quickly filled up and, each week, the workshops were at near-capacity for the program series' run.
- **HCL Displays:** Pi Day & Women's History Month
- **HCL:** We had our Beary Fun Time party that lived up to its name on Saturday, February 28th. Families enjoyed multiple bear crafts, a photo op with a large Eric Carle brown bear cut-out, and listening to his classic brown bear story.
- **HCL:** Writer Karen Gardner hosted two Saturday events - Every Picture Tells a Story (March 14) where participating families wrote with the aid of photo prompts, and Paint a Picture with a Poem (March 21) where poetry and watercolors paired up for great creativity.
- **HCL:** We finished our successful, staff-led Tuneful Tots program on March 24th and are happy to have it return this summer.
- **Teen Services:** Our 3D Pen Night has been well attended this month with a total of 10 teens making 3D crafts during the 4 sessions.

- **Teen Services Book Displays:** Easter, MAR10 Day, National Nutrition Month, St. Patrick's Day, Women's History Month, World Poetry Day
- **Teen Services Collection:** The teen collection has been weeded, shifted, and new shelves were added for the expanding manga collection. 223 fiction, biographies, graphic novels, and Spanish books were weeded to make space for new additions, popular books, and attain space for outward facing book displays at the end of each shelf.

### 3. Patron & Community Engagement

- **Children's Room:** Youth Services and other library staff were present at outreach events hosted by Webster and Ward Elementary Schools both held on March 18th. Staff shared info regarding programs and services and provided library card sign ups at both events.
- **HCL:** We welcomed back a middle schooler volunteer who assisted with a parenting books project, and we were thrilled to have several of Rio's great volunteers help with our Saturday events.
- **Teen Services:** 44 teen volunteers came in this month assisting with children's programs, the NRHS yearbook scanning project, Creative Cards for a Cause, and various other teen services-related tasks totaling about 147 hours of community service.
- **Teen Services:** Creative Cards for a Cause facilitated by our non-profit partner Neurofirst has consistently drawn about 17 teen volunteers every week this month.

### 4. Operations & Facilities

- **Children's Room:** Due to the meeting room unexpectedly becoming unavailable, 3 of our Spring Break programs (March 30 - April 4) were held outdoors on our new patio (see images below)
- **Children's Room:** New chairs purchased for our small Children's Program Room by the Foundation in January are becoming popular items throughout the library. Not only are they benefitting Children's Services in our many programs, but Teen Services use them on a weekly basis for their Monday Creative Cards for a Cause program. And the Foundation used them for their Bliss Music Center event on the 3rd floor, March 26th.
- **HCL:** Our IT consultant gave new life to our old patron internet computer and it is now up and running.
- **Teen Services:** -

### 5. Statistics Snapshot

*(Attach or embed charts/tables if possible)*

- **Children's Room:** 87 programs/1889 attendees; **HCL:** 34 program/688 attendees; **Teen Services:** 80 programs/394 attendees  
[Youth Services Program Stats](#)
- **Circulation:** See Milton's report.
- **Children's Room Total Ref Stats:** 3052; **HCL Total Ref Stats:** 1691

## 6. Looking Ahead

- **Children's Room:** Closing out the remainder of Spring Break (April 1 - 4) with craft and STEAM activities, a puppet show and special guests Mad Science, Turtle Dance Music & the NRPD.
- **Children's Room:** A lot of special weekend programming and celebrations in May & June - Children's Book Week (May 9), Water Safety (May 16), Chinese Acrobatics (May 23), Chinese Knotting (May 30), Drag Story Hour (June 6), Summer Reading Kick-Off (June 13) & a Juneteenth Concert (June 20)
- **HCL:** We are excited about an upcoming Earth Day program as well as the return of Singin' with Sean, a favorite family music program. Nature Tales begins in April as well.
- **Teen Services:** We are looking forward to the Scarsdale RoboRaiders demonstration on April 8, 4- 6 pm and a series of Earth Day related programs including a seed swap on April 4, a planter decorating craft on April 15, and a spring plant bookmark craft on April 22. Participants for the planter decoration will receive a free seed packet of herbs or flowers and compressed coconut husks and soil to grow their seeds at home.

## 7. Attachments/Supporting Documents

When the meeting room became unexpectedly unavailable during Spring Break, library staff quickly pivoted outdoors to offer our Spring Seeds program (March 30th- Photo 1), BabyFingers (March 31st - Photos 2 & 3) and Build, Make, Create: Fairy Houses (March 31st - Photos 4, 5 & 6).

**Instructions for Staff:**

- Keep sections concise (bullets where possible).
- Always link updates back to **strategic goals**.
- Submit to the Admin Office by the monthly due date.

# Narrative Report – Youth Services (March 2026)

**Department:** Youth Services

**Submitted by:** Bobby Simic

**Reporting Period:** February 23 - March 31, 2026

During the month of March, spring programming sprung to life in Youth Services with a number of kids, teens and families taking advantage of all we had to offer. 201 programs were held in March between the Children's Room, the Teen Room and at the Huguenot Children's Library with 2,971 attendees in total.

Some of our standard programs – storytimes, video games and yoga, to name a few – continued to be solid performers throughout the month. But Youth Services also hosted many special events that drew people to both locations.

The Children's Room hosted a 5-week Chess for Kids series on Sundays beginning March 1. We received an enthusiastic response with registration quickly filling up. Participants regularly came to each workshop, resulting in weekly, near-capacity attendance.

Spring Break began the last week of March at Main. We hosted 4 special programs over the last two days in March. Attendance was overwhelming but rewarding for staff and participants. Circumstances led us to use the patio instead of the planned meeting room, and so we held a seed planting, sign language music program and fairy house craft project outside, taking advantage of the long overdue, warm spring weather. We also hosted an auditorium program where kids got to meet live reptiles. Between the 4 programs, we welcomed a total of 403 attendees to the library over the 2 days.

The Huguenot Children's Library (HCL) was bustling with activities during Saturdays at the end of February and March. HCL closed out "Febr-Bear-y" on February 28 with a Beary Fun Party with an abundance of bear-related crafts and stories and a photo op with Eric Carle's Brown Bear standee entertained families.

HCL hosted special guest Writer Karen Gardner who led two weekend events - Every Picture Tells a Story (March 14) and Paint a Picture with a Poem (March 21). combined literacy and writing activities with photos and painting projects.

The Teen Room hosted special 3D Pen Nights each Monday night in March and received a strong turnout. And Teen volunteers continue to provide essential support to the community through Cards for a Cause as well as Children's Programs and special Adult Services high school yearbook scanning project. In March, teens logged in a whopping 147 hours of service at the library – even helping at HCL a few times!

As we get further into spring, Youth Services doesn't look to be slowing down. More special programs are planned to celebrate Earth Day for both kids and teens, Children's Book Week with a visit from Curious George, 2 intergenerational programs honoring Asian American Pacific Islander Heritage Month, and a robotics demonstration in the Teen Room.

**Department:** Circulation Department

**Submitted by:** Milton Cobb

**Reporting Period:** March 2026

## 1. Key Highlights

- The Circulation Department is preparing for changes as NRPL transitions to a Welcome Desk Model. The department welcomes the chance to help lead an effort by the library to provide an increased level of quality service for New Rochelle Public Library patrons.

## 2. Programs, Services & Collections

- With changes to programming at NRPL, members of the Circulation Department are ready to assist as needed at the direction of David Torres, Head of Programming and Outreach. The department looks forward to collaborating with the Head of Programming and Outreach on outreach opportunities and programs.
- The Circulation Department, along with the overarching Adult Services Department, is planning a transition to a Welcome Desk model on the first floor. The model, which will place a librarian/library assistant at one of the work stations at the current Circulation Desk, will be implemented soon. In preparation for this transition, some training will be provided to Circulation staff and Adult Services Librarians and Library Assistants. More information concerning this topic can be found below.

## 3. Patron & Community Engagement

- **Book Clubs allow patrons to connect.**
  - New Rochelle Public Library has several book clubs available to patrons. The book clubs, coordinated by Caroline Reddy, are fantastic opportunities for patrons to connect with one another. The Circulation Department will continue to provide assistance to help these book clubs. Members of the department will work closer with staff members who lead book club discussions. In addition, more space will be made for book clubs in the library's hold shelf area.
- **Increased advertisement of library programming and offerings.**
  - The previous display, in preparation for the arrival of Spring, was "Cheerful Fiction." Patrons engaged with the display to find books that would leave them in a good mood and in high spirits. For a change in seasons, especially to one of new beginnings such as Spring, this display was well timed. The current display is "April is Diversity Month", and features diverse stories from an array of diverse

authors. The stated goal on the flyer for this display is to “embrace the richness of diversity, celebrate each unique culture, and stand united to build a harmonious, inclusive, and peaceful world where every tradition and identity is cherished and respected.”

## 4. Operations & Facilities

- More space will be made for book clubs in the library’s hold shelf area.
- More consideration was made concerning the book drop at Hugh Doyle Senior Center. After investigating potential City of New Rochelle properties for a better place to relocate the book drop, it appears that the current location of the book drop is squarely in the center of the area the library would like to target. More advertisement of the book drop’s location may increase its use. A campaign to increase knowledge of the library’s book drop locations is being drafted.
- The Circulation Department, along with the overarching Adult Services Department, is planning a transition to a Welcome Desk model on the first floor. The model, which will place a librarian/library assistant at one of the work stations at the current Circulation Desk, will be implemented soon. In preparation for this transition, some training will be provided to Circulation staff and Adult Services Librarians and Library Assistants.
  - Adult Services Librarians/Library Assistants:
    - Librarians will receive library card renewal training.
    - Librarians will receive cash register training
    - A general overview on Circulation Procedures, including the above mentioned training topics, is tentatively scheduled for a Wednesday morning before opening to the public (9:00 to 10:00 AM).
  - Circulation Clerks:
    - Clerks will receive museum pass training
    - Training for museum pass circulation is scheduled to be part of the Circulation Meeting tentatively scheduled for Wednesday, April 22 at 9:00 AM.
  - In addition to the training to be provided to both Circulation clerks and Adult Services Librarians, accounts will need to be created for all staff working at the Welcome Desk:
    - Circulation Clerks will have LibCal accounts created for them so that they may access the museum pass reservation system.
    - Librarians and Library Assistants will have Square register accounts created so that they may access the cash register.
- Eventually, as instructed by the Head of Adult Services, the plan moving forward is to cross train all librarians and clerks for the following functions:
  - **Information Desk responsibilities:**
    - Answering reference questions about:
      - Finding materials in the collection
      - Assisting patrons with locating material on the first floor
      - ESL classes

- Computer classes
    - Other programs
  - Following up on Museum Passes
    - Checking item and card status
    - Making courtesy phone calls
  - Checking Museum passes in/out
  - Registering patrons for programs
- **Circulation Desk responsibilities:**
  - Issuing library cards
  - Renewing library cards
  - Helping patrons with card and circulation issues (lost material, two cards in system, etc.)
  - Checking out materials
  - Accepting returns
  - Checking in book drop returns
  - Checking in ILL bins
  - Generating and distributing holds list
  - Maintaining the Holds shelf
  - Assisting patrons with the photocopies

## 5. Statistics Snapshot

*February 2026 Circulation Statistics (March's statistics are not posted yet)*

### **Main Branch**

[Circulations](#): **11,661**

5 Highest Circulation Statistical Categories:

1. Juvenile Fiction- **4,717**
2. Juvenile Nonfiction- **1,330**
3. Movie- **1,301**
4. Fiction- **1,001**
5. Nonfiction- **797**

[Intraloans Supplied](#): **2,666**

[Intraloans Received](#): **965**

[Patrons Added](#): **178**

[Items Added](#): **682**

[Items Deleted](#): **668**

**HCL**

[Circulations](#): **2,086**

5 Highest Circulation Statistical Categories:

1. Juvenile Fiction- **1,560**
2. Juvenile Nonfiction- **170**
3. Fiction - **138**
4. New Book - **61**
5. YA Fiction - **48**

[Intraloans Supplied](#): **165**

[Intraloans Received](#): **327**

[Patrons Added](#): **11**

[Items Added](#): **58**

[Items Deleted](#): **110**

## 6. Looking Ahead

- The Circulation Department will continue to track patron interactions via our tally sheets located at the Circulation Desk and the associated aggregate spreadsheet. This is being done in order to continue to get a better understanding of how often the Circulation department engages with patrons beyond check-in and check-out transactions.
- The next WLS Circulation Committee will be on Tuesday, May 12, 2026.
- **The Circulation Department is ready to do whatever is needed to make the upcoming implementation of the Welcome Desk a successful transition. The department welcomes the chance to help lead an effort by the library to provide an increased level of quality service for New Rochelle Public Library patrons.**

# Monthly Departmental Narrative Report

**Department:** Circulation Department

**Submitted by:** Milton Cobb

**Reporting Period:** March 2026

---

## Narrative Report

The Circulation Department is preparing for changes as New Rochelle Public Library transitions to a Welcome Desk model. The model, which will place a librarian/library assistant at one of the work stations at the current Circulation Desk, will be implemented soon. In preparation for this transition, some training will be provided to Circulation Department staff and Adult Services librarians and library assistants. In addition to the training to be provided to both Circulation clerks and Adult Services Librarians, accounts for using the cash register and museum pass reservation software will be created for all staff working at the Welcome Desk.

Eventually, as instructed by the Head of Adult Services, the plan moving forward is to cross train all librarians and clerks for the following distinct functions. Information Desk functions will include answering reference questions, checking museum passes in and out, following up on museum pass loans, and registering patrons for programs. Circulation Desk functions will include issuing and renewing library cards, helping patrons with circulation issues, checking out materials, accepting returns of materials, checking in book drop and ILL bins, generating and distributing holds lists, maintaining the holds shelf, and assisting patrons with photocopies.

The Circulation Department is ready to do whatever is needed to make the upcoming implementation of the Welcome Desk a successful transition. The department welcomes the chance to help lead an effort by the library to provide an increased level of quality service for New Rochelle Public Library patrons.

# NRPL Monthly Departmental Update

**Department:** Community Relations

**Submitted by:** Lisa Itzkowitz/Tobe Sevush

**Reporting Period:** March 2026

## 1. Key Highlights

- Led promotional efforts to drive patron engagement for 33 March programs with emphasis on generating awareness AARP Tax Assistance and new programs including Beginner Spanish, Acoustic String Jam Session and *Past Pages Society* History Book Club.
- Thirdway Space conducted onsite UX Research for 5 days of March 22, 23, 24, 29 and 30. A lot of great feedback was gathered which will be included in the final report to NRPL
- The website/logo design team:
  - Finalized the new NRPL logo
  - Reviewed the proposed HCL logo and provided feedback.
  - Approved the website prototype. The website vendor will now build the new site over the next month.
- Information about the new bond was distributed to the community in the March 27 weekly eblast, and posted to the website.
- The annual budget mailer is in the process of being designed, incorporating information about the bond.
- Planning is underway for visioning sessions with an outside research firm. Dates and communications are currently being finalized.
- Utilization of AARP Tax Aide has been consistently strong, serving 50 - 60 patrons/session. Tim Oberg, our point of contact for the program shared this information in on 3/14/26.
  - *We have submitted 426 returns so far this year, compared to 441 at this point last year. Remember, we lost one day this year due to a snowstorm that delayed the library's opening and kept the city from plowing the parking lots. An earthquake also made things more complicated. We had no closings last year.*

*We have nine more days left this year, just like last year.*

*Based on last year's data, the workload will get busier moving forward. We have averaged nearly 40 completed returns per day so far this year. Last year, our numbers surged after this date, reaching nearly 50 per day, and hitting 58 and 71 on the final two days.*

## 2. Programs

- **Health and Wellness Programs - 12 sessions**
  - Chair Yoga averaged 26 attendees
  - Multi Level Yoga averaged 11 attendees
- **Arts and Culture Programs - 18 session**
  - **Friday Night Concerts** continue to be a success. Michael Powers' Blues Heritage had 95 attendees.
  - We presented a new group called VoiceScapes which is an audio theater company. We had 40 in attendance which is good for a first time program and the audience loved it.

- We partnered with the New Rochelle Council on the Arts who produced a wonderful exhibit on Life in New Rochelle during the American Revolution .
- **AARP Tax Prep - 9 sessions**
  - Averaging 50 attendees/session.
- **Fun and Games Programs - 4 sessions**
  - **MahJong** open play moved this month to Friday afternoons averaging 8 attendees/session
- **Virtual programs - 3 programs**
  - Hutchinson River Restoration Project, *17 attendees*
  - Spring Birding, *6 attendees*
  - From Here to Over There: Women of World War II, *7 attendees*

### 3. Patron & Community Engagement

- User Experience research conducted with 36 people across a variety of user/non user groups.
- Coordinating NRPL presence at City of New Rochelle Earth Day Event on April 22, and Ward Acres Conservancy GoatFest on June 6

### 4. Operations and Facilities

n/a

### 5. Statistics Snapshot

- Total number of program sessions: 43
- Total number of attendees: 1269

After two above average months, March was an average month for our social media. **Facebook** gained 47 new followers, had 685 content interactions, reached 16,462 unique accounts, accumulated 62,653 views across all posts and 1,418 profile visits from unique accounts. On **Instagram** we gained 43 new followers, had 539 content interactions (likes & comments), reached 2,424 unique accounts, accumulated 20,293 views across all posts and 331 profile visits from unique accounts.

We should expect April to be an above average month for socials due to bond and budget info going out to the public. We will monitor our social media for the public's reaction to the budget and bond numbers and report next month if the public was receiving the info negatively or positively. We will continue to refine our posting strategy to best optimize our socials and ensure that we are getting as many views as possible.

***The most popular post of the month was the \$1 million check photo with the state senators/assembly persons. (11,865 Views, 3,642 Reach, 517 Interactions)***

#### ***Facebook***

- Children's Spring Break Programming (6,976 Views, 4,607 Reach, 31 Interactions)
- American Revolution Exhibit (5,973 Views, 3,299 Reach, 42 Interactions)

- Lucille Award Photos (3,062 Views, 1,917 Reach, 42 Interactions)

### ***Instagram***

- 3/30 Spring Break Recap Photos (1,076 Views, 454 Reach, 26 Interactions)
  - Bokandeye Announcement (1,029 Views, 133 Reach, 14 Interactions)
  - Crayola Creativity Week Announcement (921 Views, 464 Reach, 21 Interactions)
- 
- Email: The open rate on the weekly eblast was 58% - slightly below our typical open rate, but 23% higher than the industry average. This may be due to changes in the way Constant Contact is calculating open rates. Further investigation needed. Total contacts remained steady at 15,000.

## **6. Looking Ahead**

- April programs will include a Friday Night Concert with Wayne Henderson, a classical concert with Young Musicians of Westchester, a concert by Songcatchers and a concert with Tutti Bravi productions.
- Budget/Bond information sessions will take place on April 16 and 28.
- Staff visioning sessions will take place on April 15 and 22 (Virtually). Community, ambassador and partner sessions will take place following staff sessions. Dates TBD
- Budget mailer will be finalized, printed and mailed by the end of April
- Mah Jongg beginner instruction/supervised play (new class format), begins April
- Tai Chi/Qi Gong begins April 23 with new instructor

## **7. Supporting Documents**

*Our March Friday Night Concert, Michael Powers Blues Heritage Band attracted 90*

*We presented a new group called VoiceScapes which is an audio theater company.*

*Thirty-six User Experience interviews were conducted over the course of 5 days in March*

## Community Relations Narrative Report

**Department:** Community Relations

**Submitted by:** Lisa Itzkowitz/Tobe Sevush

**Reporting Period:** March 2026

This month, marketing provided support for 33 programs across all library departments. Key events included the continuation of AARP Tax Assistance, Friday night and Sunday afternoon Concerts, and new programs including Beginner Spanish, *Past Pages Society* History Book Club and Acoustic String Jam sessions.

Community Relations and the **website** design team gave final approval for the new NRPL logo, and input on the Huguenot Children's Library version of the new logo. The team also reviewed, tweaked and approved the site prototype. With this approval, Library Market will begin building the site, which will take about one month. The site is scheduled to launch in mid-June

The **User Experience Research**, conducted by Thirdway Space, took place March 22, 23, 24, 29 and 30 due. Marketing collaborated with ThirdWay to finalize interviewee recruitment and onsite communications about the research. Thirty-six interviews were conducted with a cross section of participants including mobility impaired, vision impaired, unhoused, caregivers with children, and remote workers.

Marketing met with Margaret Sullivan Studios and Lothrop to review plans for and assist in scheduling and communicating with staff, board, patron, and partner **visioning sessions** for the future of NRPL.

Developed suggested social media posts - design and content - to **introduce bond to the community**. Managed inclusion of bond information in weekly eblast and on website. Met with communications consultant Joan Grangois to review social media plans and strategize re: how to present bond information in Annual Budget Mailer

The **Annual Budget Mailer** is in process. The design will remain similar to last year. Final copy and design edits are in the works to incorporate information about the bond. Spanish translation and printing/mailing services have been identified and are waiting for final copy/art and mailing list.

Continued to work with Brian to maximize **program opportunities as part of Yiddish Book Grant**. Met again with JCC Events Director, JCC Director of Jewish Life and JCC Grant writer to discuss how we can partner on Yiddish Book Club grant-funded programs.

Working with Caroline to position and promote a new **summer reading program for adults**.

Identified and hired a new **Tai Chi/Qi Gong** instructor. Classes begin April 21

NRPL continues to receive strong **coverage in local media**. [ArtsWestchester](#) picked up our new Acoustic String Jam Sessions and [March Friday Night Concert](#). Talk of the Sound also picked up [Acoustic Jam](#), [Open Play Mah Jongg](#), and [Sing Your Heart Out](#). The [March issue of the New Rochelle Review](#) picked up several NRPL March events. The [Westfair Business](#) and [Talk of the Sound](#) ran a story about Lucille Renwick being awarded the 2025 Velma K. Moore

award, in recognition of outstanding leadership. [Patch](#), [Westfair Communications](#) ran a story about the \$1.18M in state funding the library received for capital improvements. The Westchester Historical Society included The Past Pages Society March meeting in their newsletter. Local online Moms groups in [Scarsdale](#) and [Rye](#) continue to pick up select children's and teen programs on their calendars.

### **VoiceScapes**

VoiceScapes is a theater program unlike anything we've experienced before, and I couldn't resist bringing them to NRPL. This modern-day audio theater company brings together talented audio engineers, actors, and writers to perform original short plays enriched with music and immersive sound effects. Their performances ranged from funny to touching, with moments that were even a little eerie—and the audience was completely captivated throughout.

### **Young Musicians of Westchester**

Our partnership with YMW has been a fantastic addition to our programming. Their 5–6 classical concerts each year, held on Sundays, consistently deliver outstanding performances—and this Baroque concert was no exception. Robert Brooks Carlson is truly one of the finest pianists I've ever experienced. His performance earned a standing ovation, with the audience eagerly calling for encores.

**Board Meeting**

Dear Friends and Neighbors,

Every day, the New Rochelle Public Library is part of people's lives. A child finds a book she loves. A teenager works toward their future. A new neighbor gets their bearings. A senior finds connection and community.

These moments happen here—hundreds of times a day—and they depend on a building that serves the people who rely on it.

On Tuesday, May 19, 2026, voters will consider a \$55 million Capital Improvement Bond to modernize the Library. This investment would address aging infrastructure while improving the spaces where our community reads, learns, and comes together.

This building has served New Rochelle for decades. It has been cared for responsibly, but many systems are now outdated. Addressing these needs now helps avoid greater costs and disruption in the future.

At the same time, this project is about who we are as a community today. Families need more space in Children's. Teens deserve a place of their own. Adults need quiet places to work and welcoming spaces to connect. As New Rochelle continues to grow, the Library should grow with it.

If approved, the project would include:

- Renovated Children's, Teen, and Adult spaces
- New study rooms, meeting areas, and flexible spaces
- Accessibility improvements throughout the building
- Updated furniture, fixtures, and equipment
- Professional design and construction services
- Upgrades to building systems (heating, cooling, electrical, plumbing)
- Roof replacement and exterior repairs

Bond funds are legally restricted and can only be used for these improvements—not for salaries or daily operations.

Estimated cost:

For the average homeowner, approximately \$204 per year (about \$17 per month), with no tax impact before 2028.

The Library has already secured over \$1.18 million in State funding—an investment in New Rochelle from our partners at the state level.

Learn more:

Visit [nrpl.org](http://nrpl.org) for full details, FAQs, and upcoming information sessions on April 16 and April 28.

The Library has long been a shared resource - open to everyone, shaped by this community, and used every day. This project is about taking care of that resource and ensuring it continues to serve New Rochelle for generations to come.

With appreciation,

*Eugenia Schatoff*

Eugenia Schatoff
